

BIOGRAPHY

NAME: Ronald Lee Hrebinko, Jr., M.D.

BUSINESS ADDRESS: Suite 209- Medical Center Bldg.
5200 Centre Avenue
Pittsburgh, PA 15232

E-MAIL: hrebinkorl@msx.upmc.edu

BUSINESS PHONE: (412) 605-3022

BUSINESS FAX: (412)681-5268

EDUCATION AND TRAINING

UNDERGRADUATE

1978-1982 Dartmouth College A.B. cum laude
Hanover, NH

GRADUATE

1982-1986 University of Pittsburgh M.D.
Pittsburgh, PA

POST GRADUATE

1986-1988 University of Pittsburgh Richard L. Simmons, M.D.
Pittsburgh, PA General Surgery

1988-1992 University of Pittsburgh Thomas R. Hakala, M.D.
Pittsburgh, PA Urology Residency

3/91-6/91 Royal College of Surgeons Peter McLean, M. Ch.
Beaumont Hospital, Registrar in Urology
Dublin, Ireland

1992-1993 Roswell Park Cancer Institute Robert Huben, M.D.
Buffalo, NY Fellowship in Urologic Oncology

APPOINTMENTS AND POSITIONS

ACADEMIC:

2001-present University of Pittsburgh School of Medicine Associate Professor

1. Graduate, Cum Laude, Dartmouth College, Hanover, NH
2. Second prize/clinical category, Pittsburgh Urologic Society resident essay competition: Ganciclovir for CMV infection in renal transplant patients, 4/90
3. First prize/clinical category, Pittsburgh Urologic Society resident essay competition: Control of the deep dorsal vein complex in radical retropubic prostatectomy, 4/92
4. First place annual award, faculty category, Department of Radiology case of the week, 1994-1995, 1995-1996, 1996-1997, 1997-1998.
5. Frederick N. Schwentker Outstanding Teaching Award, University of Pittsburgh, Division of Urology 1996-1997.
6. Frederick N. Schwentker Outstanding Teaching Award, University of Pittsburgh, Department of Urology 1999-2000.
7. Frederick N. Schwentker Outstanding Teaching Award, University of Pittsburgh, Department of Urology 2001-2002.
8. Frederick N. Schwentker Outstanding Teaching Award, University of Pittsburgh, Department of Urology 2002-2003.
9. Faculty Recognition Award, presented by the University of Pittsburgh School of Medicine Class of 2005.

PROFESSIONAL ACTIVITIES

- | | | |
|-----|--------------------------|--|
| 1. | 5/95-6/97 | Biomedical Institutional Review Board (UPMC) |
| 2. | 4/95-5/98 | Department of Surgery Service Line Committee |
| 3. | 3/95-present | University of Pittsburgh Cancer Institute |
| 4. | 10/95 | Consensus Conference: ProstaScint, Princeton, NJ |
| 5. | 1/96-present | Consultant- <u>Journal of Urology</u> |
| 6. | 1997 | Program Committee-Northeastern Section AUA |
| 7. | 2/98-present | Consultant- <u>Southern Medical Journal</u> |
| 8. | 11/98-present | Reviewer- <u>Urology</u> |
| 9. | 6/00-present | Reviewer- <u>Clinical Cancer Research</u> |
| 10. | 2/01, 4/01, 2/02
4/04 | Surgical Team Leader. Tobago Prostate Cancer Survey and Medical Mission.
University of Pittsburgh School of Public Health |

Research:

1. Chemoprevention of prostate cancer with finasteride (Proscar), phase III (SWOG 9217): Co-investigator
2. Medical treatment of benign prostatic hyperplasia (trial of doxazosin and finasteride). Pfizer pharmaceuticals, Co-investigator.
3. The effectiveness of pre-operatively taught biofeedback-assisted pelvic floor muscle exercises in decreasing urinary incontinence after radical prostatectomy: a feasibility study, University of Pittsburgh School of Nursing, Co-investigator.

4. The effects of radical prostatectomy and psychosocial interventions on natural killer cell cytotoxicity, stress and quality of life for men with prostate cancer, University of Pittsburgh Cancer Institute, Co-investigator.
5. The psychosocial impact of prostate cancer, Carnegie Mellon University, National Institutes of Health, Co-investigator.
6. Phase I/II Multi-Institutional Study of Intravesical Taxol Instillation for the Treatment of Superficial Bladder Cancer. Co-investigator.
7. Sample Acquisition for BLCA-4 Testing in the Diagnosis of Blader Cancer. Co-PI
8. Randomized Prospective Study of Adjuvant Androgen Ablation in Radical Prostatectomy Patients at High Risk for Disease Recurrence. P.I. (IRB approval pending)
9. A Phase II, Open-Label, Multi-Center Study of the Efficacy and Safety of Oakwood Laboratories' Leuprolode Acetate for Depot Suspension **30mg** in Patients with Advanced Prostate Cancer. P.I. (IRB approval pending)
10. Phase IIb/III Chemoprevention Trial of Celecoxib to Prevent Recurrence of Superficial Bladder Cancer. P.I. (IRB approval pending)
11. A Phase II, Open-Label, Multi-Center Study of the Efficacy and Safety of Oakwood Laboratories' Leuprolide Acetate for Depot Suspension **22.5mg** in Patients with Advanced Prostate Cancer. P.I. (IRB approval pending)
12. SELECT (Selenium and Vitamin E Cancer Prevention trial). NCI/NIH multi-center trial. Co-investigator, University of Pittsburgh Cancer Institute.

Education:

- | | | |
|----|---------------|---|
| 1. | 7/94-2001 | Planned Parenthood of Pittsburgh: Resident Instructor in vasectomy technique |
| 2. | 7/94-present | University of Pittsburgh Urology Residents' clinic: Primary preceptor |
| 3. | 7/94-present | Ambulatory Subspecialties Course, University of Pittsburgh school of Medicine: Problem-based learning facilitator and lecturer (Third-year medical students) |
| 4. | 7/94-present | Anatomy course, University of Pittsburgh School of Medicine: Problem-based learning facilitator (First-year medical students) |
| 5. | 10/94-present | Veterans administration Medical Center, Pittsburgh, PA: Clinical preceptor/instructor |
| 6. | 9/95 | Clinical Epidemiology/Biostatistics Course, University of Pittsburgh School of Medicine: Group discussion leader/facilitator, prostate cancer section (First-year medical students) |

7. 12/95 Laser Certification course, University of Pittsburgh Division of Urologic Surgery: Co-director
8. 2/96-present Anatomy Life Sciences Course, University of Pittsburgh School of Medicine: Assistant Director and lecturer (Fourth-year medical students)
9. 1/96-1/02 Preparatory Course for Urology Certifying Examination, PartII: Examiner and instructor (West Virginia University Department of Urology in conjunction with the University of Pittsburgh)
10. 1/97-present University of Pittsburgh Nurse Practitioner Program Lecturer.
11. 7/96-present University of Pittsburgh Urological Residency Pathology course director.
12. 2/9/01 Visiting Professor. West Virginia University Department of Urology. Controversies and newer techniques for renal carcinoma.
13. 2/01, 4/01, 2/02 Visiting Surgeon. Prostate Cancer goodwill mission, Tobago.
14. 5/29/01 Attending/Advisor. Core Curriculum and Journal Club for Department of Surgery (General Surgery Residents)
15. 4/14/01 Course Co-director. Hand-Assisted Laparoscopic Nephrectomy Course. University of Pittsburgh School of Medicine, Department of Urology.
16. 1/03-present Course Director. University of Pittsburgh School of Medicine National Preparatory Course for Urology Certifying Exam, Part II

Grants Received:

- | | | | |
|----|-----------|------|--|
| 1. | \$5500.00 | 1989 | Targeted drug antagonist to enhance American Cancer Society immunoconjugate therapy Institutional Research Support |
|----|-----------|------|--|

Seminars and Invited Lectures:

1. Diagnosis and treatment of adrenal insufficiency. University of Pittsburgh, Division of Urology Lecture Series, Pittsburgh, PA., 1989.
2. The work-up and treatment of male infertility. University of Pittsburgh, Division of Urology Lecture Series, 1989.
3. Adolescent varicocele. University of Pittsburgh, Division of Urology Lecture Series, 1990.
4. Intersex states. University of Pittsburgh, Division of Urology Lecture Series, 1990.
5. Management of pediatric testis tumors. University of Pittsburgh, Division of Urologic Surgery Lecture Series, 1990.

6. Treatment of CMV disease. Second Annual Renal Transplant Forum, Royal College of Surgeons, Dublin, Ireland. 1991.
7. Scrotal pathology. Royal College of Surgeons, Dublin, Ireland, 1991.
8. Renal calculi. Royal College of Surgeons, Dublin, Ireland, 1991.
9. Pediatric testis tumors. University of Buffalo, Grand Rounds, Erie County Medical Center, Buffalo, NY, 1993.
10. Recent advances in the diagnosis and treatment of prostate cancer. American Cancer Society, Utica, NY, 1993.
11. Adult renal tumors. Surgical Grand Rounds, Mercy Hospital of Pittsburgh, 1993.
12. Physiology of erection and the treatment of impotence. Surgical Grand Rounds, University of Pittsburgh, 1994.
13. Human papillomavirus infections in men. Annual meeting, Mid-Atlantic College Health Association, Morgantown, WV, 1994
14. Problem-based learning (formal lectures to medical students, University of Pittsburgh), topics: impotence, voiding dysfunction, genitourinary trauma.
15. "Male Infertility Update" 6/12/95 Division of Reproductive Endocrinology at Magee Women's Hospital.
16. "New Trends in Prostate Cancer" 6/14/95 Family Practice Grand Rounds at Washington Hospital, Washington, PA.
17. Nd:YAG and CO₂ Laser for Surface Lesions. 12/16/95 Laser Certification Course, University of Pittsburgh Division of Urologic Surgery
18. Controversies in the Screening and Treatment of Prostate Cancer. 1/20/96 West Virginia State Medical Association Mid-Winter Clinical Conference, Charleston, WV.
19. The Evolution of Curative Therapy for Testis Cancer. 3/26/96 Armstrong Hospital Tumor Board, Kittanning, PA.
20. The Utility of PSA. 4/3/96 University of Pittsburgh School of Medicine-Seminar: Broadening the Skills of the Medical Specialist, Pittsburgh, PA.
21. Continent urinary diversion 5/23/96 Allegheny County Conference of Enterostomal Therapists, Monroeville, PA.
22. Genitourinary tumors, Surgical Journal Club, University of Pittsburgh 10/9/96.
23. Screening for Prostate Cancer, Seminar: Update in Internal Medicine. University of Pittsburgh 10/30/96.

24. Prostate Cancer Screening Issues, Brownsville Hospital 1/2/97
25. New Techniques and Controversies in Prostate Cancer. Shadyside Hospital Medical Grand Rounds 2/6/97.
26. Clinical Pathways in Prostate Cancer. American College of Surgeons Southwestern Pennsylvania Chapter 4/2/97.
27. Making treatment decisions for early stage prostate cancer. University of Pittsburgh Cancer Institute. Round table discussion leader 9/13/97.
28. Renal masses. Uniontown Hospital Cancer Conference 4/1/98.
29. Impotence. West Virginia University Urology Residents Lecture 4/10/98.
30. Prostate Cancer Overview. Horizon Hospital 5/1/98.
31. Bladder Cancer Session Moderator. AUA Northeastern Section Meeting, Toronto, ON 10/98.
32. Localized Prostate Cancer. Rodef Shalom 10/27/98.
33. Urology Update- University of Pittsburgh, Dept of Medicine. Internal Medicine Review. Sheraton Hotel, Pittsburgh, PA. 11/6/98.
34. Renal masses and cysts- Polycystic Kidney Foundation 9/21/99.
35. Prostate Cancer- University of Pittsburgh, Nurse Practitioner Program 9/22/99.
36. Pediatric renal Transplantation Under Tacrolimus: 4 year results. NS AUA Meeting. Bermuda 11/99.
37. Disease of the Prostate- University of Pittsburgh, Update in Internal Medicine, 11/19/99
38. Bladder Cancer- Telemedicine Conference- Horizon Hospital Tumor Board 6/2/00
39. Treatment Options for Localized Prostate Cancer- University of Pittsburgh Cancer Institute Seminar, Sheraton Hotel, Pittsburgh 6/17/00.
40. Continent Urinary Diversion Options, Washington Hospital, Washington, PA. 6/19/00.
41. Bladder Cancer and Urinary Diversion, Armstrong County Memorial Hospital Tumor Board, 8/1/00.
42. Prostate Brachytherapy Session Moderator. AUA Northeastern Section Meeting, Pittsburgh, PA. 9/14-9/17/00.
43. Transitional Cell Carcinoma. Tumor Board, Frick Hospital, Mt. Pleasant, PA. 11/2/00

44. Prostate Cancer Overview and Increased Risk in African-Caribbean Men. Town Meeting, Scarborough, Tobago (Trinidad and Tobago), 2/14/01
45. Surgical Controversies in Renal Cell Carcinoma. Tumor Board, University of Pittsburgh Cancer Institute/UPMC-Shadyside, 3/14/01
46. Newer Surgical Techniques in Renal Cancer Surgery. Pittsburgh Urologic Society Meeting, Pittsburgh, PA, 3/19/01
47. Controversies in Prostate Cancer Screening in African-Caribbean Men. Scarborough, Tobago (Trinidad and Tobago), 4/11/01
48. Renal Cell Carcinoma Update. University of Pittsburgh Department of Urology Grand Rounds, 6/14/01
49. Evaluation and Treatment of Post-Prostatectomy Erectile Dysfunction. Scarborough, Tobago, 4/17/04
50. Surgical Aspects of Renal Cell Carcinoma. IL-2 Workshop, Hillman Cancer Center, University of Pittsburgh, 12/1/04
