

# CRANBERRY PLACE SKILLED NURSING AND REHABILITATION

Located in the north hills of Pittsburgh, in the heart of Cranberry Township, Cranberry Place, part of UPMC Senior Communities, extends a warm invitation to patients and visitors. The facility's modern and open architecture adds to the fresh ambiance.

Cranberry Place provides a variety of programs that meet the needs of patients who no longer require care in a hospital but need 24-hour skilled nursing and rehabilitation care.

A team of UPMC professionals works cooperatively to enhance quality of life and return patients to their highest level of independent functioning. Caring, dedicated staff provide comprehensive skilled nursing and rehabilitation services that address the physical, psychological, and social needs of each patient.

Partnering with the UPMC Rehabilitation Institute, Cranberry Place offers a Transitional Rehabilitation Unit (TRU) for short-stay skilled nursing and rehabilitation patients. This partnership offers the best rehabilitative services possible.

Cranberry Place provides quality health care to its patients and offers a variety of programs that meet the needs of patients no longer requiring hospital care, but in need of 24-hour services.

For more information, call **724-772-5350** or visit [UPMCSeniorCommunities.com](http://UPMCSeniorCommunities.com).

## Skilled Nursing and Rehabilitation Services

For patients requiring 24-hour nursing care, Cranberry Place offers the following specialized services on site:

- IV therapy
- Physical, occupational and speech therapies
- Private and semi-private rooms
- Wound care
- Transitional Rehabilitation Unit (TRU) for short-stay, skilled patients
- Hospice care
- Respite care
- Feeding tubes
- Respiratory care
- Dialysis
- Pastoral care
- Total parenteral nutrition (TPN)
- Ventricular assist devices (VAD)
- Tracheostomy
- Telemedicine

## Rehabilitation

In collaboration with the UPMC Rehabilitation Institute and UPMC Centers for Rehab Services, Cranberry Place offers strong patient-focused rehabilitation services, allowing patients to move through patient-appropriate levels of therapy as they progress. As a result, Cranberry Place patients reap the combined benefits of outstanding physical, occupational, speech, and restorative therapies as physicians work to develop new treatments that are shared across UPMC.

The Cranberry Place Transitional Rehabilitation Unit (TRU) for short-stay skilled patients provides convenient access to a well-equipped, spacious therapy area. Board-certified physiatrists (physicians trained in physical medicine and rehabilitation) are integrated into the patient care team. The oversight of the unit by the UPMC Rehabilitation Institute provides patients with the best possible rehabilitation.

## Facility Features
