

Unwanted Medication Collection Event

Friday, April 27

10 a.m. to 2 p.m.

**Magee-Womens, UPMC Hamot Lobby
118 E. Second St.**

Expired and unused prescription drugs can be dangerous. They are susceptible to theft, misuse, and abuse. On Friday, April 27, you can bring in your unwanted prescription drugs (and non-prescription, over-the-counter medications, too) for free, anonymous disposal.

- Medications must be in original containers
- Personal information on vials should be blacked out
- No needles, thermometers, or other medical devices
- No illegal substances or paraphernalia

UPMC Hamot is hosting this event in support of the Drug Enforcement Administration's National Prescription Drug Take-Back Day.

The parking lot can be accessed from a driveway located on East 2nd Street — just west of Holland Street. For more information, call **814-877-6000** or visit UPMCHamot.org.
