

Alive&Well

A health presentation by UPMC

Free Prostate Education and Screenings

Saturday, April 14
8 to 10 a.m.

Valley Baptist Church

500 Sharon New Castle Road
Farrell, PA 16121

To help raise awareness and provide men and their families with a better understanding of the disease, UPMC Horizon is offering free prostate cancer education and screenings which includes a Prostate-Specific Antigen (PSA) blood test and a digital rectal exam.

Join us to learn more about the risks, symptoms, treatments, and ways to prevent prostate cancer at this free event.

UPMC Horizon

Registration is required. To register or for more information, call **724-983-7570**.
