UPMC Passavant

UPMC Passavant

A health resource for your community

Building on a solid foundation as a well-respected and deeply rooted community hospital, UPMC Passavant has been transformed into UPMC's advanced care center north of Pittsburgh. Providing highly specialized medical and surgical treatment by expertly trained physicians, UPMC Passavant is backed by the advanced technology, resources, and expertise of UPMC, the region's leading health system. Our state-of-the-art hospital brings UPMC's brand of world-class medical care into our community with programs and services that include:

- More than 400 board-certified physicians on staff, representing 22 medical specialties.
- Convenient campuses in McCandless and Cranberry Township, Pa.
- Advanced treatment for cancer, heart and vascular, spine, colon and rectal, and women's specialty services.
- Emergency Departments that handle nearly 60,000 visits annually.
- A 200,000-square-foot, seven-story pavilion that opened in 2010 increased capacity for the UPMC CancerCenter at UPMC Passavant. It also houses the Emergency Department and surgical services, as well as additional intensive care, progressive care, and medical-surgical unit beds.
- Magee Breast Care Center, the first center in western Pennsylvania to receive accreditation from the National Accreditation Program for Breast Centers.
- A Primary Stroke Center accredited through The Joint Commission, and named a Gold Plus hospital by the American Heart Association/American Stroke Association Get With the Guidelines® - Stroke.
- UPMC Wound Healing Services at UPMC Passavant, a comprehensive center dedicated to the treatment of nonhealing wounds that can be caused by diabetes, poor circulation, vascular diseases, traumatic injuries, pressure ulcers, or radiation therapy.
- High-quality, state-of-the-art cardiovascular care offered through the UPMC Heart and Vascular Institute at UPMC Passavant, staffed by experts that include general and interventional cardiologists, cardiovascular and vascular surgeons, cardiac electrophysiologists, cardiac anesthesia specialists, and cardiac nursing staff.
