*Note: Outpatient therapies are subject to a cap.

Per medicare regulations, benefit amounts are subject to change without notice
Skilled residents:

Medicare Part A

1. Covered transports:
   - Emergency ambulance trips to the ER – covered under consolidated billing if deemed a true emergency
   - Stretcher van deemed medically necessary – physician statement required. Ambulance company bills Medicare Part B

2. Non-covered transports:
   - Wheelchair van or ambulette
   - Stretcher van not deemed medically necessary

Note: Dialysis clinic transports are not covered. Ambulance companies bill patients directly for these transports.

Medicare Part B

1. Covered transports:
   - Emergency ambulance trips to the ER – covered under consolidated billing if deemed a true emergency
   - Stretcher van deemed medically necessary:
     > Physician statement required
     > Ambulance company bills insurance directly
     > Patient is responsible for copays as outlined by their contract

Note: Coverage for wheelchair van or ambulette transports varies according to patient insurance provider. Patient is responsible for copays.

*Only insurance exceptions are the Medicaid HMOs (Gateway, BEST, and UPMC for you). Transports are covered under these providers.

Medical Assistance

(Residents approved in the facility, not the community)

1. All transports are covered
