

Find Pinnacle Intranet Information on Infonet

Pinnacle intranet information is being moved to Infonet, UPMC's systemwide employee intranet. Infonet is a mobile-friendly, personalized site where you can find relevant information for your job, such as policies, consent forms, people directories, benefits, dining menus, perks, recognition programs, leadership feedback, and more.

If you want to know how Infonet works, search "Infonet Tutorials" on Infonet.

Here's how you can find your Pinnacle-specific information that now lives on Infonet:
