  Date of test ___________________________
  
  - All applicants, regardless of educational background are required to pass the TEAS with a proficient score or higher.
  
  - If testing outside of UPMC Schools of Nursing, applicants are required to request ATI to send official scores to UPMC Schools of Nursing by logging into www.atitesting.com for an additional fee.

- **A final official high school transcript with month, day, and year of graduation.** Partial transcripts will be accepted only if the applicant is currently a high school senior. Grades for first nine weeks of the senior year must be recorded. A GED Score Report or a Secondary School Completion Credential to Homeschoolers may be substituted for the high school transcript if applicable.
