About Our Health System
UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) is a 400-bed regional health care system providing care to residents of a six-county service area in central Pennsylvania. UPMC Altoona is a level II trauma center, regional oncology center, and a JCAHO-certified stroke center. UPMC Altoona provides comprehensive cardiology and cardiovascular surgery, neurosurgery, vascular and endovascular surgery, behavioral health and a vascular and wound care center. The Health System’s medical staff is comprised of approximately 400 primary care physicians and specialists.

About The Practice
UPMC Altoona Radiology Department is currently comprised of 16 physicians of varying specialties. This cohesive group provides 20,000+ “reads” per year and is recruiting due to pending retirements and practice growth.

About The Opportunity
Competitive compensation package includes comprehensive benefits package inclusive of health, dental & vision insurance; retirement benefits, malpractice insurance, generous CME allowance.

About Our Community
The Altoona/Blair County/Central Pennsylvania region is a family-oriented community with excellent school systems, abundant cultural amenities, easy access to larger, neighboring cities, and unlimited outdoor and recreational opportunities.
