About Our Health System
UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) is a 400-bed regional health care system providing care to residents of a six-county service area in central Pennsylvania. UPMC Altoona is a level II trauma center, regional oncology center, and a JCAHO-certified stroke center. UPMC Altoona provides comprehensive cardiology and cardiovascular surgery, behavioral health and a vascular and wound care center. The Health System’s medical staff is comprised of approximately 400 primary care physicians and specialists.

About The UPP Department of Urology - Altoona
UPP Department of Urology - Altoona is in the growth mode and set for expansion. This department, currently comprised of 1 physician with current support from Pittsburgh, is expected to grow to 4+ onsite physicians. The hospital has 12 ORs and 1 dedicated Cysto Room. The ambulatory Surgery Center on the hospital campus has 6 ORs. The hospital has a da Vinci SI robotic surgical system.
