

UPMC HAMOT

CARING FOR THE COMMUNITY

Located in Erie, Pennsylvania, UPMC Hamot serves patients from the surrounding area in a tradition of quality, health, healing, and education. One of the region's leading tertiary care facilities, UPMC Hamot was founded in 1881, and became part of UPMC in 2011.

This past year, UPMC Hamot contributed \$26 million in community benefits, including \$8.5 million to the city of Erie, Erie County, its schools, nonprofit organizations, and community groups.

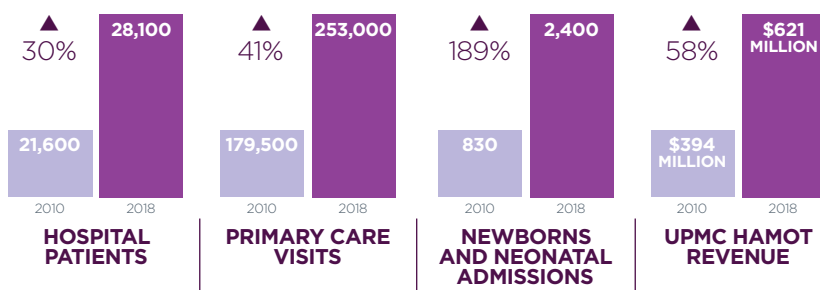

STRONGER HEALTH CARE

- UPMC is a \$19 billion world-renowned health care provider and insurer, whose strength allows it to continue to contribute to the region's health care needs.
- UPMC Insurance Services, with 3.4 million members, is the largest medical insurer in western Pennsylvania.

DELIVERING THE QUALITY CARE NORTHWESTERN PENNSYLVANIA AND THE SURROUNDING AREAS COUNT ON

- Recognized by DNV GL Healthcare, UPMC Hamot is the only certified comprehensive stroke center in Northwest Pennsylvania, providing the only local access to interventional stroke treatments.
- UPMC Hamot provides highly specialized tertiary care, including chemoembolization, kidney transplantation, hepatobiliary surgery, deep brain stimulation, and microvascular decompression.
- The hospital is the only Level II trauma center in the northwestern Pennsylvania region.
- Magee-Womens, UPMC Hamot addresses the health care needs of women and infants. The facility's Level III Neonatal Intensive Care Unit cares for the most fragile of newborns.
- UPMC Hillman Cancer Center provides Erie patients local access to breakthrough research and leading-edge treatment.
