## Stronger Health Care

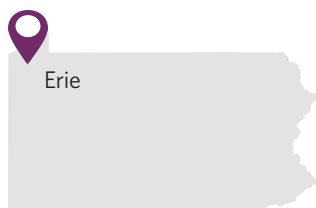

- UPMC is a \$12.8 billion integrated global health enterprise, whose strength allows it to continue to contribute to the region's health care needs.
- UPMC Insurance Services, with 3 million members, is the largest medical and behavioral health services insurer in western Pennsylvania.

## Delivering the Quality Care Northwestern Pennsylvania Counts On

- Since joining UPMC in 2011, UPMC Hamot has dramatically enhanced its capabilities to care for Erie area residents.
- UPMC Hamot provides highly specialized tertiary care, and regional physician training programs that include orthopaedic surgery and hand surgery.
- The hospital is the only Level II trauma center in the northwestern Pennsylvania region.
- Magee-Womens, UPMC Hamot addresses the health care needs of women and infants. The facility's Level III Neonatal Intensive Care Unit cares for the most fragile of newborns.
- The UPMC Hamot Heart and Vascular Institute coordinates and manages delivery of care to patients throughout the region.

## UPMC Is Committed to UPMC Hamot and Erie County

UPMC invested \$153 million in UPMC Hamot since 2011.

## UPMC Hamot Is Stronger Since Joining UPMC
