

ARM YOURSELF AGAINST THE FLU

Free Flu Shots and Screenings
for Seniors

Saturday, Oct. 5, 2019
8 to 11 a.m.

UPMC St. Margaret

815 Freeport Road
Pittsburgh, PA 15215
Neil Y. Van Horn Pavilion
(Near Hospital Entrance A)

UPMC St. Margaret is offering free flu vaccinations to area residents age 65 and older and for individuals with chronic health conditions like asthma, diabetes, or heart and lung disease. Children under the age of 18 will not be vaccinated at this clinic.

If you have ever had an allergic reaction to a flu shot in the past, please consult with your doctor before receiving the vaccination.

Additional FREE Screenings:

- Cholesterol (includes LDL, HDL, triglycerides)*
- Blood Pressure
- Blood Sugar
- Bone Density

**9-hour fast recommended for cholesterol screening*
