Cancer Care for Highmark Commercial and Medicare Advantage Members after June 30, 2019

Here are answers to some frequently asked questions about cancer care for Highmark members after June 30, 2019:

Q Will I have in-network access to UPMC Hillman Cancer Center locations operated in conjunction with a community health provider after June 30, 2019?

A Yes. There are a number of locations in the greater Pittsburgh area where Highmark members will have access after June 30, 2019. Refer to the listings on the first page of this document.

Q Will I have in-network access to UPMC Hillman Cancer Center at UPMC Shadyside?

A No. Highmark members will not have full, in-network access to UPMC Hillman Cancer Center at UPMC Shadyside after June 30, 2019.

Q Are some adult cancer services and treatments from UPMC available only at UPMC Hillman Cancer Center at UPMC Shadyside?

A Yes. UPMC Hillman Cancer Center at UPMC Shadyside is the only location where adult patients have access to:

- **Advanced specialized surgical services**
- **Exclusive clinical trials**
- **Hyperthermic intraperitoneal chemotherapy (HIPEC)**
- **Novel immunotherapy (including CAR T-cell therapy)**
- **Stereotactic radiosurgery**

Q Are there hospitals in western Pa. that will be in-network for Highmark commercial or Medicare Advantage members after June 30, 2019?

A Yes. UPMC Altoona, UPMC Bedford, UPMC Children's Hospital of Pittsburgh, UPMC Horizon (both campuses), UPMC Jameson, UPMC Kane, UPMC Northwest, and UPMC Western Psychiatric Hospital will remain in-network after June 30, 2019. Visit UPMC.com/Choice2019 for a full listing of UPMC hospitals and their network status after June 30, 2019.

Q How can I ensure full, in-network access to all UPMC doctors and hospitals?

A There are many health insurance plans that offer full, in-network access to UPMC doctors and hospitals, including but not limited to plans from Aetna, Aetna Coventry, Cigna, United Healthcare, and UPMC Health Plan.
