

Crossing the bridge between UPMC Montefiore, Eye & Ear Institute, and UPMC Presbyterian

*Information
for Patients
and Visitors*

From UPMC Montefiore to UPMC Presbyterian

- At UPMC Montefiore, take the visitor elevators to the eighth floor. Exit the elevator and turn left. The bridge begins at the end of the hospital corridor. The bridge goes over two streets and through the Biomedical Science Tower on the way to UPMC Presbyterian.
- At the end of the bridge, you will be on the third floor of UPMC Presbyterian. Follow the directional signs (they are suspended from the ceiling) to the visitor (main) elevators, which will be to your left.

- At the end of the bridge, you will be on the eighth floor of UPMC Montefiore. The visitor elevators are the first elevators you will see; they will be to your left.

From Eye & Ear Institute to UPMC Montefiore or UPMC Presbyterian

- At Eye & Ear Institute, take the visitor elevators to the third floor. When you exit the elevator hall, you will be on the bridge.
- To go to UPMC Montefiore, turn left. At the end of the bridge, you will be on the eighth floor of UPMC Montefiore. The visitor elevators are the first elevators you will see; they will be to your left.
- To go to UPMC Presbyterian, turn right. At the end of the bridge, you will be on the third floor of UPMC Presbyterian. Follow the directional signs (they are suspended from the ceiling) to the visitor (main) elevators, which will be to your left.

From UPMC Presbyterian to UPMC Montefiore

- At UPMC Presbyterian, take the visitor elevators to the third floor. Exit the elevator and follow the directional signs (they are suspended from the ceiling) to the bridge to UPMC Montefiore. The bridge goes over two streets and through the Biomedical Science Tower on the way to UPMC Montefiore.
