

# CANTERBURY PLACE SKILLED NURSING AND REHABILITATION

Located in historic Lawrenceville in the city of Pittsburgh, Canterbury Place, part of UPMC Senior Communities, offers all the amenities of personal care, skilled nursing and rehabilitation services, and memory support in an affordable, comfortable, homelike environment.

Canterbury Place's exceptional care, warm surroundings, affordability, and excellence in service have made it one of Western Pennsylvania's leading providers of geriatric care.

A team of UPMC professionals work cooperatively to enhance quality of life and return patients to their highest level of independent functioning. Caring, dedicated staff provide comprehensive skilled nursing and rehabilitation services that address the physical, psychological, and social needs of each patient. Canterbury Place and the UPMC Rehabilitation Institute partner to oversee the management of two Transitional Rehabilitation Units (TRUs) with private rooms offering exceptional short-stay skilled and rehabilitation care. One TRU is a cardiac-specific, short-term inpatient rehabilitation program in partnership with UPMC's Heart and Vascular Institute. This Heart and Vascular TRU houses patients with complex cardiology and cardiac surgical issues.

Canterbury Place also offers personal care, skilled memory care and inpatient hospice should those services be needed.

For more information, call **412-622-9000** or visit [UPMCSeniorCommunities.com](http://UPMCSeniorCommunities.com).

## Skilled Nursing and Rehabilitation Services

For patients who require 24-hour nursing care, Canterbury Place offers the following specialized services on site:

- IV therapy
- Physical therapy
- Occupational therapy
- Private and semi-private rooms
- Total parental nutrition (TPN)
- Wound care
- Short-stay private Transitional Rehabilitation Units (TRUs)
- Hospice care
- Respite care
- Feeding tubes
- Respiratory care
- Telemedicine
- Pastoral care
- On-site dialysis provided by DCI

## Rehabilitation Services

In collaboration with the UPMC Rehabilitation Institute and UPMC Centers for Rehab Services, Canterbury Place offers strong patient-focused rehabilitation services, allowing patients to move through patient-appropriate levels of therapy as they progress. As a result, Canterbury Place residents reap the combined benefits of outstanding physical, occupational, speech, and restorative therapies as physicians work to develop new treatments that are shared across UPMC.

The Transitional Rehabilitation Units (TRUs) for short-stay skilled patients provide convenient access to well-equipped, spacious therapy areas. Patients with a wide variety of diagnoses, including but not limited to orthopedic, neurologic and heart and vascular issues are able to take advantage of the expertise provided by the UPMC Rehabilitation Institute.
